CA: CAREFULLY READ THESE INSTRUCTIONS BEFORE USING THIS PRODUCT

IMPORTANT INFORMATION:
This product is not intended for use in the following countries: Australia, Canada, China, Hong Kong, India, Israel, Japan, Korea, Malaysia, Mexico, New Zealand, Norway, Singapore, South Africa, Taiwan, Thailand, United States of America, United Kingdom, and the European Union. For more information, please contact your local distributor.

WARNING: This heater must not be worn without heat.

IMPORTANT INFORMATION:
This product is not intended for use in the following countries: Australia, Canada, China, Hong Kong, India, Israel, Japan, Korea, Malaysia, Mexico, New Zealand, Norway, Singapore, South Africa, Taiwan, Thailand, United States of America, United Kingdom, and the European Union. For more information, please contact your local distributor.

PLEASE NOTE: It is important to make the heater resistant to slip under all conditions which may be encountered during use.

The heater is a portable heater and is not intended for use in areas where it is likely to be exposed to water or moisture. It is not intended for use in areas where it is likely to be exposed to fire or other sources of heat. It is not intended for use in areas where it is likely to be exposed to dust or other contaminants.

IMPORTANT INFORMATION:
This product is not intended for use in the following countries: Australia, Canada, China, Hong Kong, India, Israel, Japan, Korea, Malaysia, Mexico, New Zealand, Norway, Singapore, South Africa, Taiwan, Thailand, United States of America, United Kingdom, and the European Union. For more information, please contact your local distributor.

EXPLANATION OF MARKING CODES USED TO DETERMINE LEVEL OF PROTECTION PROVIDED

The following table provides information on the marking codes used to determine the level of protection provided by the heater. The codes are based on the level of protection provided by the heater and the level of protection provided by the heater.

Code	Marking Code	Level of Protection
1	1	1
